

## **No Peeking Promotion – Captain George’s Fish & Chips Cornwall**

Envelopes will be handed out to customers during the month of December 2015, while supplies last. We have 1120 envelopes to hand out. Customers can return anytime during the month of January 2016 with their sealed red envelope and it will be opened by our staff. The prize contained in the envelope will be given to the customer by Captain George’s staff member. If the customer opens their envelope it’s invalid.

Any envelope that is tampered with; appears to have been opened and resealed; or partially opened will not be valid. It’s the customer’s responsibility to store the envelope in a safe place to maintain the integrity of the sealed envelope. A damaged envelope may be disqualified.

Any envelope redeemed after the expiry date of the contest (expiry date for redemption of envelope is the end of January 2016) will be redeemed at 5% off of entire bill (excluding Alcohol purchases) for up to 4 people during the month of February 2016. After February 29<sup>th</sup> 2016 the envelope and its contents are of no value and cannot be redeemed.
